

## ORHMA's ENERGY PROGRAM Current Electricity Price Offers

# 2.3

Cents per kWh

1 Year starting January 2020

**Deadline October 25<sup>th</sup>, 2019**

The goal of the ORHMA Wholesale energy program is to provide members with cost certainty and group buying power. This program provides a cost-effective alternative to the Regulated Rates charged by the local utility and helps members avoid higher retailer pricing.

- ✓ This renewal provides you with the option to protect your business from increasing prices and the volatility that characterizes today's energy markets.
