

# Human Trafficking Indicators

## Front Desk Staff

- Patron distressed or injured.
- Few personal belongs.
- Not forthcoming about names, address, vehicle information.
- Patron appears with a minor that he did not come with.
- Individuals dropped off at hotel or visit repeatedly over time.
- No identification.
- Requests information to adult entertainment industry.
- Begging for money or food.
- Minor accessing business center.
- Room paid for with cash or rechargeable credit card.
- Excessive use of hotel computers for adult oriented websites.
- Minor taking on adult roles – paying bills or requesting services.
- Minor with patron late at night or during school hours (not on vacation).
- Room is rented hourly, less than a day or for long term stay .
- Room rented has fewer beds than patrons.
- Rents more than one room .

Please keep in mind that the presence of just one of these indicators does not immediately mean that human trafficking is occurring.
