

Flu Preparedness Products

PREPARE FOR THE FALL FLU SEASON NOW

N95 Respirator Mask

Designed to reduce the wearer's respiratory exposure to airborne contaminants. Applicable for close contact with persons infected with airborne diseases such as influenza. Seals tightly to the face of the wearer to minimize gaps. Meets or exceeds National Institute for Occupational Safety and Health (NIOSH) test criteria stated in 42 CFR Part 84 (certified approval: N95).

#50912-00-00 Pack of 20
