Dear Mr. Elenis:

Thank you for your letter on behalf of the Ontario Restaurant Hotel & Motel Association regarding labour negotiations in the City of Toronto and the City of Windsor. I appreciate the time you have taken to share your association's feedback and valid concerns.

As you know, we have an established process in Ontario for the resolution of labour disputes. It would be inappropriate for me, as Premier, to intervene in this process. I encourage both sides to continue discussions and remain hopeful that negotiating in good faith will lead to a settlement. Ministry of Labour mediators are actively working with the parties to assist them in reaching an agreement.

Thank you again for writing. Please accept my best wishes.

Yours truly,
