

Hiring “*Smart*” Programs

by HIDDEN CONCEPTS Inc.

Have you ever hired someone who did NOT reach your expectations ?

FACTS:

- **4** out of **5** workers are employed in a job “not best suited for them”
- **33%** of workers want to quit NOW
- Unhappy workers multiply fast

The Art of Hiring Smart

This is a powerful seminar for anyone involved in the hiring process – from business owners and managers to seasoned HR professionals, this presentation will help you improve your organization’s hiring practices!

This program will provide information that can be applied immediately. During this session you will learn:

- How to determine your real cost of hiring
- How to hire the right person the 1st time - IT IS POSSIBLE !
- The 5 KEY steps to successful interviewing
- The 4 questions that you need to answer
- How to create your own recruiting process
- How to hire employees who are reliable and hard-working

Length: 6 hours
