

Online WHMIS Certification

Online WHMIS Certification

- Online course available through ORHMA website: www.orhma.com
- This course is designed to certify Canadian employees in the identification and handling of hazardous material while meeting legislative requirements.
- Virtual WHMIS allows one to log on and off as many times as the system remembers the last section completed.
- Translation module to make it simple to deliver in multiple languages
- Training program has 6 modules and will take no longer than 2 hours total with certificate upon completion.
- ORHMA Member cost per course is \$24.95

Course Overview / Outline
